Dear Bill

***AHRC Discussion Paper – Discrimination on the basis of sexual orientation and sex and/or gender identity***

I refer to your memorandum of 22 October 2010 and thank you for referring the above paper released by the Australian Human Rights Commission to the Society for comment.

The Discussion Paper was referred to the Society's Human Rights Committee for consideration.

The Society supports the position proposed to be taken by the Law Council (as outlined in your memorandum). We also suggest that it is desirable to aim for all 'equality' legislation to be in a single Act.

Yours sincerely

Ralph Bönig
